Re: United States v. Richard Wilbern  
17-CR-6016 CJS

Counselors:

As indicated in our omnibus motion response dated October 1, 2018, the government intends to offer certain intercepted jail calls relating to 17-CR-6016, which charges a violation of Title 18, United States Code, Section 922(g). Enclosed please find a compact disc containing approximately nine (9) jail call recordings which reference the defendant's belongings maintained in the garage located at 23 Tubman Way. The specific calls the government intends to offer will be determined prior to trial. Relevant portions of all recordings are currently being transcribed and will be provided to you prior to trial.

The password for the CD will be sent to you by separate email. Please do not hesitate to contact me with any questions.

Very truly yours,

JAMES P. KENNEDY, JR.  
United States Attorney
